

# Snooker Cube Ice Machine

## ◆ Model: SK-1500P

### Features

- 1) Eco-friendly food grade liner; Luxury stainless steel SS316 interior & SS304 exterior;
- 2) High quality compressor and durable fan motors;
- 3) Anti-corrosive chemical nickel plated Copper evaporator;
- 4) Automatic fault alert system & One-button clean and Ice Thickness adjust function;
- 5) Digital display panel with Self-patented programme control system;
- 6) Removable air filter and water filter design;
- 7) The front hinged door easy for daily use;
- 8) With LED illumination;
- 9) Up to 3 years warranty;

### Technical Data

Brand:	Snooker (China)
Model:	SK-1500P
Ice Shape:	Cube
Max Production:	680kg /24h (Air/Water 21/10°C)
Bin Capacity:	320kg
Voltage:	220V /50Hz
Power:	2860W
Refrigerant:	R404A
Condenser Type:	Air-Cooling
Compressor:	Highly (China)
Gross Weight:	220kg
Dimension (mm):	1227(W) *965(D) *1927(H) (include feet)

### Operating Limits

Ambient Temp. Range:	5 - 43°C
Water Temp. Range:	5 - 35°C
Water Pressure:	0.13 - 0.55 MPa

### Certificates
